

70 YEARS of OPENING DOORS

For 70 years, ARCA has worked alongside individuals with intellectual, developmental, and cognitive disabilities to create opportunities, build community, and open doors.

Since 1957, generations of individuals, families, staff, supporters, and community members have helped shape ARCA into the organization it is today.

As we celebrate our 70th Anniversary, we honor that legacy and look forward to continuing our work to open doors and change lives for generations to come.
